Strategic Planning and Vice-Chancellor's Office

### Call for proposals: funding for transdisciplinary research initiatives

The Vice-Chancellor hereby calls for proposals for a maximum of 15 planning grants, each worth a maximum of SEK 100 thousand, for new transdisciplinary projects in science, the humanities, law, and social sciences. The proposed projects should include researchers from both scientific areas – Science and Human Science – at Stockholm University.

Applications for planning grants should comprise 1-2 A4 pages. Applications exceeding 3 A4 pages will not be considered. The application should be accompanied by a budget that clearly describes how the funds will be used. Salary funds should refer to actual salary costs, including social fees. No additional funding will be granted for overhead. The planning grant will be paid only when the application has been submitted to the relevant funding body.

Applications, which should be addressed to the Vice-Chancellor, should be submitted by the head of department or equivalent to [registrator@su.se](mailto:registrator@su.se). Please include the reference number **SU FV-5.1.2-2232-17** in the subject header. Applications must be sent electronically, not in paper format, and received by the registrar no later than **Monday 16 October 2017**.

If you have any questions, please contact Director of Education Rikard Skårfors (e-mail: [rikard.skarfors@su.se](mailto:rikard.skarfors@su.se))
